About Us

Thank you for the opportunity to present our proposal to you. We are pleased to introduce ourselves as the Become Parents Group of companies that was launched in 2007 in Melbourne, Australia. Since then it has been instrumental in helping over 500 couples realize their dreams in this beautiful journey to parenthood.

Offices are based in Bangkok, Mumbai, Barcelona, Melbourne, Tel Aviv & New York.

Our aim is to help Intended Parents make an informed decision and make their surrogacy journey hassle-free and emotionally rewarding. We also provide guidance and support to our Intended Parents throughout the process, right from the start up to taking back the baby home. We have partnered with the most Elite clinics in India & Bangkok, who have done exceptionally well in the field of Assisted Reproductive Technology and Surrogacy.

We are rated No 1 by the largest Gay Dad's family support group in Australia & NZ

Gay Dads Australia

a resource for gay dads and those thinking of becoming dads

Our Doctor and our Embryologist

Dr. Sukhpreet Patel

Program Director Vita Fertility Clinic

MD, DNB, FCPS, DGO, PGDMLS, Diploma in Gynaecological Endoscopy

Dr Sukhpreet Patel completed her graduation from Topiwala National College and B.Y.L Nair Hospital and post graduation from Seth G.S. Medical College and KEM Hospital, Mumbai. She is a Diplomate of National Board, New Delhi.

She has done her Fellowship at the College of Physicians and Surgeons, Mumbai.

She has also done a Post graduate Diploma in Medico-Legal Science, Symbiosis, Pune and Diploma in Gynaecological Endoscopy from Germany. She has worked as Consultant Obstetrician and Gynaecologist at Gynaecworld, Breach Candy Hospital and St. Elizabeth Hospital

Over the years, Dr. Patel has performed over 1,000 IVF procedures, enriching the lives of hundreds of childless couples. During this process Dr. Patel has introduced numerous pioneering techniques in the field of Assisted Reproductive Technology.
